

APPS & DOWNLOADS

School owned iPads must not be synced to any other computer.

Applications (Apps) will be downloaded (synced) by the school via Air Watch, an online system that allows multiple devices to receive apps selected by Deer River instructors. Students will receive a notification when an application must be downloaded. It is the expectation that students (end user) will complete the download process. No student shall remove the Air Watch capability from the device. Alteration of apps and downloads will result in consequences consistent with school policy. All apps will be purchased by the District for academic use and are the property of Deer River Public Schools.

SOFTWARE

Originally Installed Software

The software/apps originally installed by Deer River School District must remain on the iPad in usable condition and be easily accessible at all times. From time to time the school may add software applications for use in a particular course. The licenses for this software may require that the software be deleted from iPads at the completion of the course. Periodic checks of iPads will be made to ensure that students have not removed required apps.

Additional Software

Students are not allowed to load extra software/apps on their iPads. Deer River School District will synchronize the iPads so they contain the necessary apps for school work. Students will not synchronize iPads or add apps to their assigned iPad from personal accounts.

Procedure for Re-loading Software

If technical difficulties occur or illegal software or non-ISD 317 installed apps are discovered, the iPad will be restored from backup. The school does not accept

responsibility for the loss of any software or documents deleted due to a re-format or re-image.

Software Upgrades

Upgrade versions of licensed software/apps are available from time to time. Students may be required to check in their iPads for periodic updates and syncing.

Inappropriate media may not be used as a screensaver or background photo.

Presence of guns, weapons, pornographic materials, inappropriate language, alcohol, drug, tobacco, and gang related symbols or pictures will result in disciplinary actions.

Sound

Must be muted at all times unless permission is obtained from the teacher for instructional purposes. Music is allowed on the iPad and can be used at the discretion of the teacher.

Legal Propriety

The iPad distributed by the district is the property of the district and should be treated as district property at all times.

Students must comply with trademark and copyright laws and all license agreements. Ignorance of the law is not immunity. If a student is unsure, he or she should ask a teacher or parent.
