

IPAD SECURITY

Never leave an iPad unattended. When not in your personal possession, the iPad should be in a secure, locked environment. Unattended iPads will be collected and stored in the school's main office.

Do not lend your iPad to another person. Each iPad is assigned to an individual and the responsibility for the care of the iPad solely rests with that individual.

Each iPad has a unique identification number and at no time should the numbers or labels be modified or removed. Students should add a passcode to their iPad to help secure their personal information on the iPad.
